Restorative Justice Lead Practitioner Merseyside

We have an opportunity for a role to work with us to develop and deliver Restorative Justice Services across Merseyside.

We are looking for an experienced Restorative Justice (RJ) practitioner, ideally with experience of multi-agency partnerships across the criminal justice sector, and of working with volunteers and the voluntary sector.

RJ Lead Practitioner

- Full time; salary up to £22,000/annum depending on experience
- Merseyside (based in Liverpool but with travel throughout the area); start date ASAP

Closing date for all applications is 12 noon on Thursday 12th July 2018. Interviews will be held on 17th July in Liverpool, and start date will be ASAP thereafter.

A full Role Description and an Application Form (which must be completed, to accompany an up to date CV) for the post is available from our website at www.restorativesolutions.org.uk

All applications should be made via email to Gary Stephenson, CEO, at garystephenson@restorativesolutions.org.uk by midday on 6th July, and any queries addressed to him at the same email address.
